

How to use The Good News Cards

*A creative pocket tool to share
the gospel with kids.*

1. Show the child Card #1 and read the title and descriptive text, while using the picture to discuss the Biblical truth.
2. Look up the Bible verse and have the child read it out loud to you (or you simply read it).
3. Ask the child the question on the bottom of the card (Bible verse provides the answer).
4. Repeat steps 1-3 for Cards #2 through #4. If the child is willing, lead them in praying to receive Jesus into their life (see below).

"Dear God, Thank you for creating me and loving me so much. I am sorry that I have disobeyed you and done things that I know are wrong. Thank you for sending Jesus to pay the punishment for my sins. Please forgive me Jesus. Come into my life and make me clean. Be my leader and show me the best way to live...I will follow you! Thank you for making a way for me to live with you forever in Heaven.

In Jesus name, Amen!"
